

Parking at Palmetto Fertility Center

There are three parking choices for your visits at the Palmetto Fertility Center: the all day parking lot (your best choice), the maternity hourly parking lot, and the large parking garage behind the 7150 building.

ALL-DAY PARKING IN FRONT OF 7100 BUILDING

We recommend you find parking in the all-day parking IN FRONT of the 7100 building.

From from West 20th Avenue (the feeder road parallel the the Palmetto Expressway) the first left Hospital Entrance leads you to the Main Hospital Drive. Directly on your left is a \$4.00 all day parking lot open from 7 am to 5 pm, Monday - Friday.

MATERNITY PARKING LOT

On WEEKENDS, or if the all-day lot is full, proceed further west on the Main Hospital Drive towards the front entrance side of the Hospital, in front of the Maternity Care Center. You will see a sign that states “Patient and Visitor Parking.” This Parking Lot has the most reasonable hourly rates.

THE VALET AND LARGE PARKING GARAGE

From West 20th Avenue (the feeder road parallel to the Palmetto Expressway) take the SECOND LEFT entrance. You will see a fountain /valet and a large Parking Garage. This is Monday through Friday. It is NOT open on weekends. This is your best choice in bad weather and if you are having surgery at the surgery center.

The Valet area has a \$15 flat fee for Valet parking.

Parking Lot Rates

Hours	Hospital Front Lot \$	Parking Garage\$
0-0.5 hrs	\$1.00	\$2.00
0.5-1 hrs	\$2.00	\$4.00
